Developed to discuss all phases of the estimating process, this course covers all phases of preparing a competitive bid. Key topics include identifying desirable bid opportunities, analyzing the company's capabilities to insure profitable results, the estimator's role at various stages of the project, writing an effective scope letter and identifying often hidden costs in the bid documents.

Following this class, participants will be able to:

- Discuss the steps necessary to prepare a competitive bid
- Identify the most desirable bid opportunities
- Describe how a company's capabilities can be analyzed to insure profits
- Discuss cash flow and bonding
- Discuss relevant contract terms
- Identify price adjustment techniques, overhead, and profit
- List the documents required to estimate a construction project

This course will be facilitated by Bob Mooty.
