COVID-19 AFTERNOON UPDATE

APRIL 10, 2020

In an effort to cut down on the number of communications we are sending to you, as we know everyone is receiving an abundance of information, we have opted to send a number of pertinent pieces of information in one bundle. We will be doing this every afternoon as long as there is information that needs to be passed along.

COVID-19 and Contractor Liability

Employee and workplace safety should be the top concern for contractors during the COVID-19 pandemic. However, every business has justifiable concerns with employer liability as it makes decisions for moving on with operations. COVID-19 Guidelines on Social Distancing

With many construction sites remaining operational during the COVID-19 pandemic, it is extremely important to maintain compliance with all social distancing guidelines and requirements. The following recommendations are specific to construction projects that continue to be operational. While these are fairly comprehensive, they are not all-inclusive. The needs of each site can vary. State or other local requirements can be more restrictive, and would take precedent. [Click here for the guidelines.](#)
