Dear Contractors:

NECA National has developed, and will continue to update, materials on the Families First Coronavirus Response Act. [Click here to view the FFCRA Summary](#) and [click here to view the FFCRA FAQs](#).

NECA National will continue to compile a FFCRA Q&A to provide updates as new issues evolve. Legislative and legal changes are continuously being monitored and they are working with the IBEW on a regular basis.

If you have any questions, please do not hesitate to contact me.

Sincerely
