

OREGON-COLUMBIA CHAPTER, NECA COVID-19 AFTERNOON UPDATE JULY 17, 2020

In an effort to cut down on the number of communications we are sending to you, as we know everyone is receiving an abundance of information, we have opted to send a number of pertinent pieces of information in one bundle. We will be doing this every afternoon as long as there is information that needs to be passed along.

COVID-19 Sample Policies/Plans

Due to the COVID-19 (coronavirus) pandemic, it is important to take proactive steps to address several business safety concerns. To maintain a safe workplace and adopt practices protecting the health of employees, customers, visitors or others, we have gathered some resources and sample plans for your use if you do not currently have one. Keep in mind these policies provide a good framework but company-specific actions would still need to be added to any document.
