

OREGON-COLUMBIA CHAPTER, NECA COVID-19 AFTERNOON UPDATE APRIL 20, 2020

In an effort to cut down on the number of communications we are sending to you, as we know everyone is receiving an abundance of information, we have opted to send a number of pertinent pieces of information in one bundle. We will be doing this every afternoon as long as there is information that needs to be passed along.

[Free OSHA COVID-19 Module From Intec](#)

To assist businesses in these trying times, Intec is making the eSafetyLine [COVID-19 Module](#) freely available to everyone. The module contains a written Infectious Disease Program, COVID-19 Protection Plan, Checklist, Visitor Screening Form, Pre-Entry Survey and On-The-Job Training materials. [Click here for the free module.](#)

[Furlough/Lay Off Survey Results](#)

We asked you to participate in a survey to help determine how electrical contractors are being affected by COVID-19. We asked you to give us your best estimate on the number of collective bargaining employees in Local 48 who have either been furloughed or laid-off and to differentiate between employees who have been furloughed/laid-off because of a job shut down or lack of work versus those who are opting not to work due to fear of the coronavirus. Thank you to everyone who filled out the survey! [For the survey results, please click here.](#)

For any questions or concerns, please contact Tim Gauthier, Executive Manager at tim@orecolneca.org.

All COVID-19 related information is available at <https://www.orecolneca.org/>
