

OREGON-COLUMBIA CHAPTER, NECA COVID-19 AFTERNOON UPDATE JUNE 3, 2020

In an effort to cut down on the number of communications we are sending to you, as we know everyone is receiving an abundance of information, we have opted to send a number of pertinent pieces of information in one bundle. We will be doing this every afternoon as long as there is information that needs to be passed along.

[Washington L&I June 2020 Electrical Currents Newsletter](#)

Highlights of this month's newsletter include: Adoption of 2020 NEC and WAC 296-46B changes delayed; Temporary allowance for virtual basic trainee classes; Trainees working while in inactive status; L&I office closures; Electrical Inspections - L&I is following the Governor's directives; and HVAC replacements may not be like-in-kind or Class B eligible. [Return to Work in the Office Survey Results](#)

On Monday, June 1, 2020, we sent out a survey to all contractors inquiring about the transition of bringing employees back into the office, as we have received a lot of questions about what everyone else is doing. Click [here to view the results of the survey](#). If you did not participate in the survey, but would like to, [click here to take the brief survey](#).

[NECA/IBEW Joint Safety Committee Information: COVID 19—Again a Potentially Recordable Case](#)

Federal OSHA reversed their stance, for the second time, on confirmed cases being potentially a recordable entry on employers OSHA 300 logs effective May 26, 2020. [Click here to read the entire report.](#)
