

OREGON-COLUMBIA CHAPTER, NECA COVID-19 AFTERNOON UPDATE JANUARY 6, 2021

This update is designed to bring you important information regarding COVID-19. When pertinent information arises, we will condense it into this communication. We will be doing so as long as there is information that needs to be passed along.

[White Paper to Help Determine Project-Specific Loss of Productivity Related to COVID-19 and Other Impacts](#)

There is no question the ongoing COVID-19 pandemic has impacted the construction industry as a whole, including the mechanical, electrical, and plumbing (MEP) trades. The MEP trades have aligned in a collaborative effort to bring to you and the construction industry the white paper below, "**Project-Specific Loss of Productivity Analysis Methodologies**". **[Click here to read more and to access the white paper.](#)**
