

OREGON-COLUMBIA CHAPTER, NECA

AFTERNOON UPDATE

APRIL 6, 2021

This update is designed to bring you important information regarding COVID-19. When pertinent information arises, we will condense it into this communication. We will be doing so as long as there is information that needs to be passed along.

Oregon and Washington Vaccine Updates

Construction Workers are Now Eligible for Vaccines in Oregon

As of April 5, 2021, those in our industry are considered frontline workers (Group 7) by the CDC. Anyone who is interested in getting the vaccine is now eligible!

To sign up with Get Vaccinated Oregon, [click here](#) and you will be notified when vaccination sites have availability.

To get information on vaccination sites, what to know before you go, what you should expect after being vaccinated (including possible side effects) and more, [click here](#).

On May 1, all Oregonians 16 and older will be eligible to receive the COVID-19 vaccine.

Construction Workers Are Now Eligible For Vaccines in Washington

The next two tiers of those eligible for the vaccine have now opened up in Washington. Appointments are now open for:

- Additional workers in congregate settings (restaurants, manufacturing, construction)
- Anyone with two or more comorbidities
- Anyone between the ages of 60 and 64
- Anyone living in congregate settings (correctional facilities, group homes for those with disabilities, those experiencing homelessness, etc.)

To get information on vaccination sites, what to know before you go, what you should expect after being vaccinated (including possible side effects) and more, [click here](#).

For any questions or concerns, please contact Tim Gauthier, Executive Manager at tim@orecolneca.org.
